

REMARKS

The PCT application (PCT/JP2004/016903 filed on November 8, 2004) was amended under Article 34 and a translation of this amendment is included with this application.

In the instant application, the claims are further amended to eliminate multiple dependent claims. This paper presents the claims as amended under Article 34 with further amendment to claims 4 - 7 to eliminate multiple dependent claims. New claims 10 - 22 have been added. (Claim 9 was a new claim presented in the Amendments Under Article 34).

The effect of the amendments relate only to matters of form, and the substance of the Claims remain the same. Support for each of the newly added Claims can be found in the Specification. It is respectfully submitted that no new matter has been added by any of the amendments to the Claims.

The specification was amended to correct a minor typographical error on page 16 and to insert an Abstract.
